ENDURANCE UPDATES

New! THE APRIL ENDURANCE NEWS was mailed on Monday, March 28. This is a few days later than usual due to the convention. Please be patient -- it's a 52-pager packed with the first 2011 ride results and standings, plus convention coverage, part 3 of Karen Chaton's trailer organization series, and a scientific overview of equine gastric ulcer syndrome by Drs. Olin Balch and Truman Prevatt. Watch for it in your mailbox soon.

CORRECTION FOR APRIL: As we continue to refine the 100-mile horse recognition program, we found a few horses missing from the Bronze Level list (on page 35): Please note the following horses reached the bronze level in 2010: Ashquars Dream (Clydea Hastle), CR Marjan Roars (Tani Bates), Golden Knight (Nloole Chappell) and TKR Triforta (Melinda Faubel). Thanks to Melinda for contacting the office and pointing out the omission.

New! SIX ENDURANCE RIDERS are still in the running to become America's Favorite Equestrian, a fundraiser for USEF's Equus Foundation. To find out more, or to vote, see the [USEF page link](#).

New! AERC CONVENTION: Congratulations to the newest

RIDE NEWS

The TURKEY CREEK ENDURANCE RIDE in Fort Carson, CO (MT Region) is a two day ride -- a 25/50 on 9/10 and a 25/50 on 9/11 (with a 2-day 100 over both days as well!).

JUST ADDED to the ride calendar: the Bare Bones 30/50 in South Royalton, VT, on May 15. Check it out in the ride calendar!

Trail loss necessitates the cancellation of the Southeast Region's HALLELUJAH AGAIN 25/50 on October 29 in Camden, SC.

Send any ride news to aerc@foothill.net for posting on the AERC home page. Best of luck to all riders for a wonderful ride season!
